

LOVE
Radiates:

The Almighty is the FOUNTAIN of LOVE and through that LOVE

**Shining LIGHTS,
Warming SENSATIONS
&
Exhilarating VIBRATIONS**

We can CONQUER the WORLD, be it our COMMUNAL or INDIVIDUAL WORLD

The saying: “*Words are sharper than two-edged sword*” is no more truer statement than in poetry. If prose is the horizontal medium of communication, poetry is its most vertical and refined pillars, in somehow like music has a universal color tone, tune and appeal.

**POETRY IS NOT ONLY
FOOD FOR THE SOUL... MUSIC TO THE EAR...
BUT ART TO THE CONNOISSEUR... BEAUTY TO THE AMATEUR...
INTRIGUE TO THE INTELLECTUAL...
MAZE TO THE INTRUDER... CHALLENGE TO THE LINGUISTIC...
FOREIGN TO THE OUTSIDER...**

Lovers would and should say: I will always be:

An eye that never *SLEEPS*...

An ear that never *SHUTS*...

An arm that never *TIRES*...

So our love can never *FAIL*...

I would like to cordially welcome you to my world and invite you to browse through my love poems and studies with the hope that they will tickle your intellect, move and stimulate your hearts in exciting your senses so that you will give love, life and hope their worth and a second chance... because:

Genuine love is seldom an accident,
If tackled by people who care.
Good relationship is not an incident,
If practiced by those who share.
Grounded friendship is often an instrument,
If cherished by folks who dare.

My humble understanding of LOVE is that:

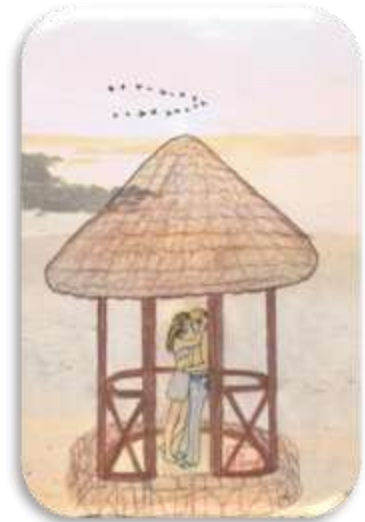

LOVE is:

The best of CHOICES,
The peak of PARDON,
The solver of PROBLEMS,
The activator of the BRAIN,
The banner of SELF PEACE,
The composer of MELODIES,
The challenger of OBSTACLES,
The driving force of SERENITY,
The balsam of CONSOLATION,
The crown and scepter of the HEART.

LOVE is also:

**THE KISS OF LIFE,
THE CREATOR OF JOY,
THE HEALER OF STRESS,
THE GRANTOR OF HOPE,
THE FORTRESS OF FAITH,
THE FOLLY OF THE MIND,
THE DONOR OF STRENGTH,
THE ENEMY OF DEPRESSION,
THE CROWNER OF NOBILITY,
THE FIGHTER OF LONELINESS,
THE INITIATOR OF HAPPINESS,
THE FORTIFIER OF LOYALTY,
THE CORNERSTONE OF MARRIAGE,
THE TRIGGER OF UNDERSTANDING.**

Dare to love because:

LIFE	Is always wonderful and beautiful,
BUT	We always lack the “Know-how”,
OF	Making the best of everything,
YET	With little patience and foresight,
ALL	Is possible to take us to the light,
SO	That to recognize the sleeping giant,
WHO	Dorms within the walls of our hearts,
READY	To take us to our furthest horizons,
AND	To realize the dearest of our dreams.
